President Report

The senior football had a luckless year with multiple injuries and some close results going against them but I believe we showed that at our best we were able to match it with the top sides and a victory against Yarra Glen away was proof of what the team was capable of. For many spectators of the football the highlight this season was watching the young blokes getting a chance at senior level and showing improvement each week. The senior side had 8 players aged 19 or younger participate this season which gives the club a great core group to build a side around in the future. I'd like to thank the senior players for their commitment this season.

A huge thank-you to all the volunteer's that assisted with the senior side. Barry who once again work tirelessly to help this group reach its full potential, Beau for helping on the bench, Neil for all his work as team manager and Hursty & Matt for their efforts doing the running. I'd like to make a special thanks to Brad who has turned this club around over the past 3 seasons, we could not have asked for anything more from a senior coach and although Brad is finishing in the role I hope he continues to be around the club in future as anything this football team can achieve going forward will only be possible thanks to what Brad has been able to put together in the past 3 seasons. In fact, the commitment from the whole Wilkinson family to this club in the past 3 years has been enormous and I hope we continue to see all of them around the club in the coming years. I wish Josh all the best next season as he takes on the role of senior coach and I'm positive he will have great success in continuing to build on the growth that this club has had in the past few seasons.

The reserves football this season was unfortunately very difficult for all players and coaches with the side very undermanned on most occasions. Youngy and Stig did a fantastic job getting a team together each game and continuing to drive everyone involved to give 100% each week despite the unfavorable results. Thanks Youngy and Stig for staying positive and giving your all for the club this season. Thanks to Kris and Westy for their work as team managers and thanks to Dog for his efforts as runner. I hope we see more players involved in the reserves next season to allow them to field a full side each week and also give the senior side the depth it requires.

The netball has been a huge success this season with all 4 sides playing finals and the C-Grade side bringing the club its first ever netball premiership. Haylee stepped up as head coach this year and has done a tremendous job at bringing some quality players into the club and I hope they continue to stay involved next season. Thanks Haylee for the huge amount of time you've put in throughout the year and I hope your proud of the results achieved. Thanks to Kathy who came in late and helped control the management of the C & D grade sides, with her help the club went from being unsure if it could field both lower grade sides to having both make finals and C-Grade achieving the ultimate success. Thank you to all the players who helped make this season a great success and thank you to everyone who helped with scoring and umpiring. I hope all players can get behind Haylee and the other coaches next season as our netball teams are certainly looking at further success in 2018.

I'd like to congratulate Joey on being selected in the league football team of the year and Paige, Samantha & Alice on being selected in the league netball team of the year and also congratulations to all club award winners.

A huge congratulations to Errin, Olivia, Sally, Lauren, Stacey, Carly, Kylie, Rachael & Amy on winning the 2017 C-Grade premiership. These girls have been at the club for many years and have seen their fair share of losses so it's great to see them finally get the success they deserve.

Thanks to Wrinkles, Jess, Matt & Lauren for all the work you put in making sure the club had quality medical staff week after week and thanks to all others that filled in when required. Thanks also to everyone who helped with running water and manning the scoreboard.

After a tough 2016 season that saw very minimal volunteer assistance at the club I can say 2017 was fantastic with many individuals stepping up to help the club. To all committee members and volunteers I thank you for your commitment as this club couldn't function without you. I would like to make a special mention to the efforts of Lyn, Janine, Erryn & Molly in the kitchen, John for his work behind the bar, Dickie for running Croc club, Rachael & Sian for organising functions, Kym & Caitlyn for a very successful Ladies day, Avon for time keeping and Guy, Kris, Linda, Zac, Kylie & Renee for their help in many different areas, you all went above and beyond and I know I wouldn't have survived the season without you.

A huge thanks to all the sponsors who's financial assistance allows this club to operate. A special mention to our larger sponsors, High Mountain Water, Kinglake Pub, Yamaha, PFD, Whittlesea Bowls Club, Campbellfield Automotive Repairs and Service and Guy White/Select Exhibit. Thanks to Charles and Sara for all your help in securing and maintaining the sponsors throughout the year.

The 2018 season will see a new president and committee in place and I wish them all the best and good luck to all footballers and netballers, I hope season 2018 brings more success to our great club.

Thanks and Regards,

Clinton Robinson

2017 KFNC President

SENIOR FOOTBALL

COACH	Brad Wilkinson
ASSISTANT	Barry Wilkinson
CAPTAINS	Josh Mende Andrew Whelan
VICE CAPTAINS	Bailey Robinson Zac White
TEAM MANAGER	Neil Rowe

COACHES REPORT

Season 2017 was fairly up & down performance wise. We had a reasonable pre-season but did not get off to the best of starts. Injuries and training attendance saw us lose some very winnable games. When our training numbers and our attitude towards training was up we played some pretty good footy through the middle part of the year and got ourselves back into finals contention only to fall a little short.

I'd like to thank all my coaching staff and leadership group for their constant hard work this year. I would also like to thank the whole committee for their support this year. To all our trainers, netballers who ran water and to Hursty for doing the running again I also thank you for the year. A big thank you to Charles who has been a constant support and all the other sponsors too as local footy clubs cannot run without them. Also to the die-hard supporters and the noise that comes from Croc Pocket rain, hail or shine. Lastly to Neil for his help Thursday nights and game day, you have been fantastic the last 2 years. Game day runs a lot smoother with you in charge.

I have thoroughly enjoyed my 3 years as senior coach and I wish the club all the best for the 2018 season.

VICE CAPTAIN	Rodney Pratt
TEAM MANAGER	Kris Hamer Aaron Westworth

COACHES REPORT

After finals appearances in the two previous seasons we had high expectations coming into the season. However, we lost more experienced players than we thought and were left trying to get a team together which put us on the back foot coming into the season. Thankfully we had some great young players from last years under 18 team who showed great commitment during not only the season but preseason as well. We also had a number of experienced players take on a lot more responsibility. Rodney Pratt became the assistant coach and did a fantastic job. He also had his best season as a player. Ryan Hurst showed great leadership and dedication all season and took his game to another level. There is no doubt he will be a future captain of the team.

The season started with a loss to Yea. It was clear from that performance we had a lot of work to do. With a lack of numbers at training and on game day (often playing games short) the group showed a lot of heart and never at any stage gave up. The highlight of the season beating Seville at home in Brett Groves 300th game. A fantastic achievement for a club legend and all round great bloke. Finishing the season with only 3 wins was tough however I couldn't be more proud of the blokes that turned up and gave everything week in week out. Lastly, thank you to everyone from the club that helped all year from the committee to the trainers. You did a great job.

COACHES REPORT

Kinglake Netball 2017 season, wow where to begin! It's been such an incredible season for the Laker ladies so much growth and development has been achieved this season. At the start of the 2017 preseason we had not even 20 girls between 4 netball teams, but as a club and community we recruited and worked hard to establish 4 fully stocked teams by the start of the 2017 season. Every netball team has well and truly nailed it this season, starting at D grade,

D grade won 5 games and lost 8 this season and worked hard all through the 18 rounds and found themselves playing in a well-deserved first round of 2017 finals spot. A determined D grade squad played Alexandra in a nail biting first round final and even though they fell short of the win, 17-35 there was still so much to be proud of, the girls fought and worked hard all season and they deserved that finals spot, an achievement that all the players should be proud of great work ladies!

C grade- well wasn't C grades season story one for the history books. C grade finished the season in 5th spot with 6 Wins and 8 losses and a spot in the first round of finals. The girls then went on to win that first round against Alexandra 37-38 and found themselves in the semi-finals against Yarra glen. Once again the hard work and determination by the C grade girls paid off with a solid win over the river pigs in the Semi-finals 29-27 and a massive achievement for our Laker c grade girls. The next round was an incredible game, playing a super competitive Yea in the preliminary final and our super stars took out that game 36-29 and earned themselves a spot in the grand final the big dance. Grand final day came around and it was a prime example of how hard work and strong team work pays off. The girls came out strong, they played that strong style of netball the whole game and at the final siren they had achieved what all teams dream of! That big goal the big flag! And to make it even better, the girls won the first ever Kinglake netball flag. This was the most incredible journey and I couldn't be prouder of the C grade girls! Premiers!!

B grade- another amazing story comes out of B grade this season with the youngest ever B grade team in the competition. B grade smashed it this season, a new team has formed and the future looks well and truly bright. B grade finished in 5th spot this season with 8 wins 7 losses and 1 draw. An amazing season with some incredible games of netball played. The girls fought the whole 18 rounds and made their way to a first round elimination final! A spot that was truly deserved. The first round rolled in and boy did the girls put on a show, a nail biting close competitive game of netball. The girls fell short of the win 41-34 but the growth this team has made this year is definitely worth celebrating. And this is only the start of bigger things to come for our B grade team. Amazing season! And onto the last of the 4 Laker teams.

A grade! In 2016 Kinglake didn't man an A grade team for the whole 18 rounds so just having a team play the whole season is amazing enough! The A grade girls full of a lot of new Laker players had a sensational breakout season with 8 wins 6 losses and 1 draw, finishing 4th on the A grade ladder! The girls overcome injuries and some do or die games and locked in their first round elimination finals spot against Yarra Junction. The girls won the game 45-32 and steamed ahead to the Semi-finals. The next game they took home the win 49-37 against a tough competitor in Yea. The excitement brewed, these girls fought their way into a tough preliminary final against Yarra Glen. The A grade girls fell short 45-39. How far and what the team achieved this season was incredible and a phenomenal first season together as a new team. Big things will be coming!

This concludes a brief overview of our Kinglake FNC netball season 2017. One word to sum up this season Incredible!! All 4 teams making finals and 1 winning the flag was the icing on the cake for a very successful reformed Kinglake netball club. Bring on season 2018 year of the Laker!!
